Facebook

- There were more than 550 motorcycle fatalities in Florida in 2015- one of the highest in the nation. #SharetheRoadFL
- Motorists: Drive with caution around motorcyclists and bicyclists. Bikes have the same privileges, rights and responsibilities on public roads as you do. #SharetheRoadFL
- Don't tailgate bicyclists and motorcyclists. It's extremely dangerous. #SharetheRoadFL
- While motorcycle crashes only represent less than three percent of all crashes, motorcycle fatalities make up 19 percent of all traffic fatalities and 11 percent of all serious injuries. #SharetheRoadFL
- Riding without a helmet? Think again. In Florida, more than 1,300 of motorcyclists who were injured or killed in 2015 were not wearing a helmet. #SharetheRoadFL
- Bicycle crashes represent two percent of all crashes, approximately five percent of fatalities, and about 4.5 percent of all serious injuries. #SharetheRoadFL
- Hey bicyclists, don't forget to use directional hand signals to show you are about to turn. #SharetheRoadFL

Twitter
